

**Luxaflex® Fusion option:
A daring match of stylish
materials**

In the Fusion model, the wooden components of your blind are combined with beautiful, stylish aluminium accents which just have to be seen! Your wooden blind takes on design radiance without losing the warm experience of natural wood.

Let yourself be amazed by the combination of atmospheric wood and the radiance of aluminium - an absolute stunner!

Luxaflex® Wood blinds: Ambience to suit your lifestyle!

The Luxaflex® collection of Wood blinds consists of beautiful and unique ranges including Native Woods, FSC Wood, Colonial and Essentials.

The collection is extensive and versatile when it comes to colours, designs, finishes and usage options. Whatever choice you make, you can be sure of luxury and practical functionality!

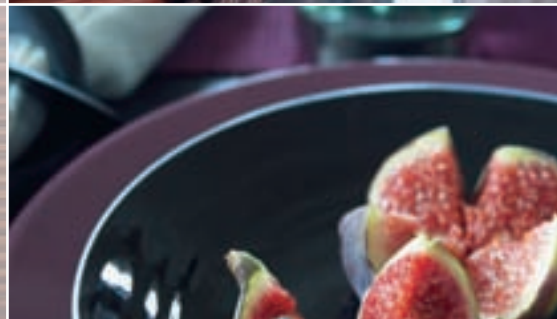

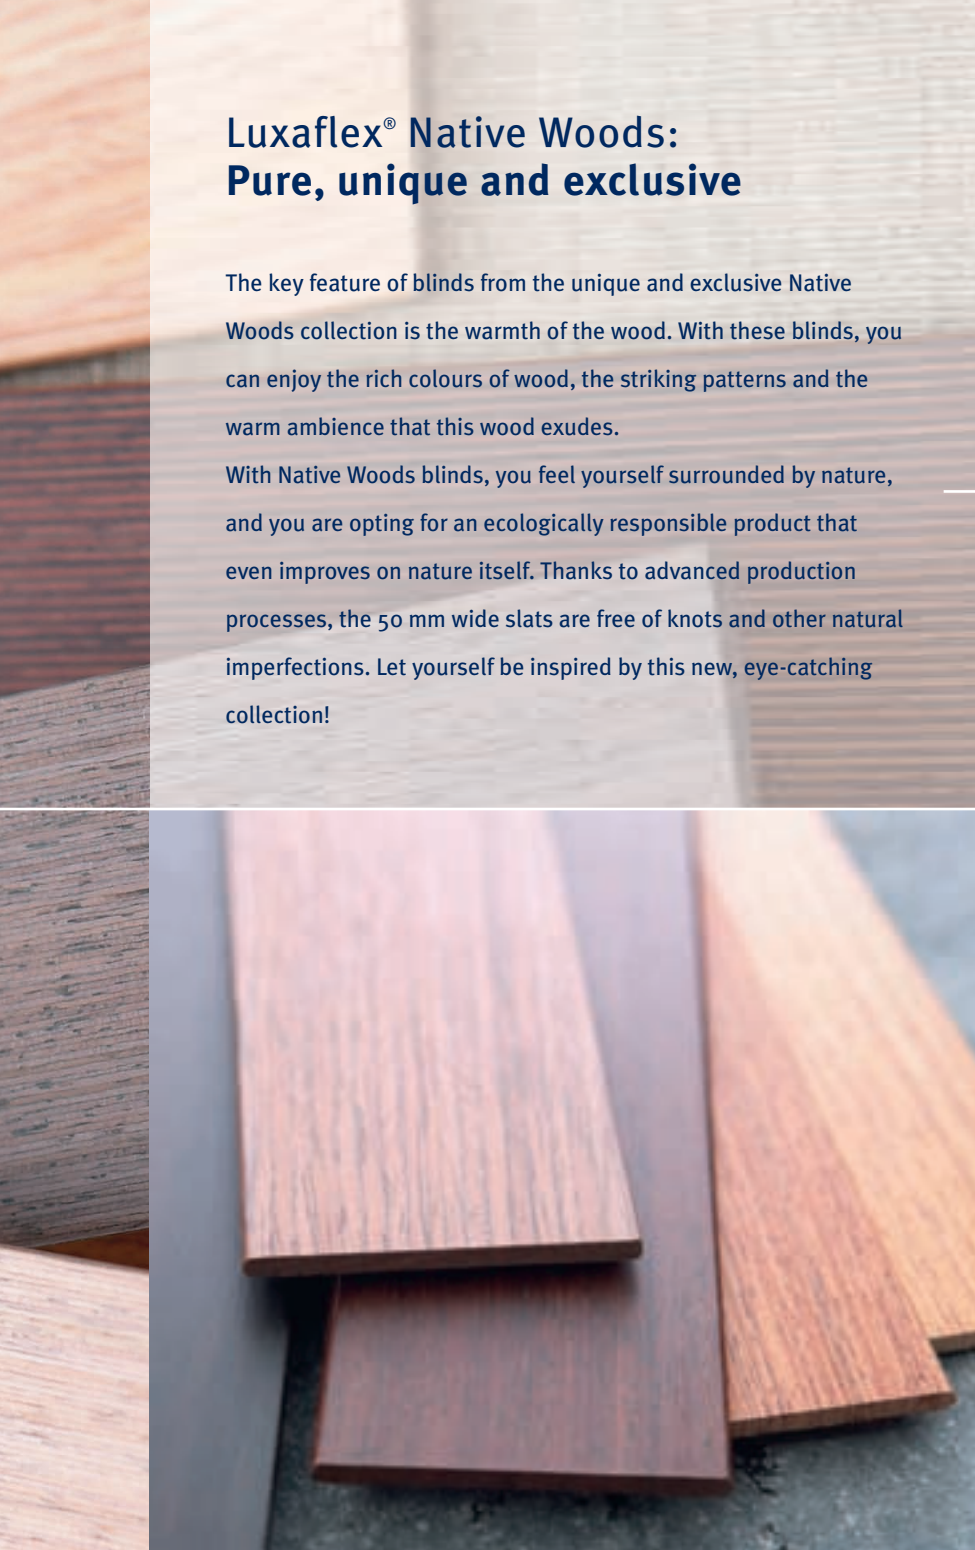

Your Luxaflex® Wood blinds are supplied as standard with colour coordinated ladder braids but you can give your blinds a personal touch with fabric tape in different colours and patterns.

Luxaflex® Native Woods: Pure, unique and exclusive

The key feature of blinds from the unique and exclusive Native Woods collection is the warmth of the wood. With these blinds, you can enjoy the rich colours of wood, the striking patterns and the warm ambience that this wood exudes.

With Native Woods blinds, you feel yourself surrounded by nature, and you are opting for an ecologically responsible product that even improves on nature itself. Thanks to advanced production processes, the 50 mm wide slats are free of knots and other natural imperfections. Let yourself be inspired by this new, eye-catching collection!

Luxaflex® Decorative fabric tapes: Beautiful, personal and inspiring!

With an extensive choice of decorative and single-colour fabric tapes, one thing is certain; you have an endless choice of combinations. Romantic, modern or classic? Striking or subtle? Contrasting or tonal? You can design your own wood blinds with the greatest of ease.

Whatever choice you make, with decorative fabric tapes on Luxaflex® Wood blinds, you are choosing materials you will really love.
